My dear Wood:-

Have just received a letter from Ramsden in which he says that he will be very pleased to make the arrangement we suggested to him and his terms are quite satisfactory to us, He also states that he has written you to send us what coins you have on hand, but of course we are in no hurry about this. We wish to extend our thanks to you for the interest you have shown in this matter and assure you that ahytime we can be of any material assistance to you we will be very pleased to do so.

Yours very truly,

My dear Wood:-

Your favor of the 4th inst received and in reply would say that we would also like to have the phamplets published by Ramsden. Please make up invoice or send the invoice as you have to us at the same prices given to you, as we have agreed upon terms of discount from these prices with Mr. Ramsden.

Thanking you for your kind attention, we remain,

Yours very truly,

The United States Coin Co,-

New York City.

Gentlemen,-

I sent you yesterday by American Express the coins, books and paper money belonging to the Jun Kobayagawa Co. of Yokohama Japan as per Mr.Ramsden's request.

I was delayed in sending these as some of the pieces were out on approval,in fact Mr.Zerbe has now got some things. I have instructed him to send to you direct what he does not intend to keep.Of course his payment will be made to me.

I am enclosing memo. of what pieces I am turning over to you,the items crossed off are what Zerbe now has.

I still have one or two personal invoices that I am not keeping but am waiting Mr.Ramsdens instructions before sending these on.You will not I sent you some prospectuses of a pamphlet on Modern Chinese Copper coins,these are myown property and I can supply these to you if you wish at the rate of 30¢ each in lots of ten.

Kindly receipt and return the duplicate invoice and believe me very sincerely.
